

Rugby School
THAILAND

PRE-PREP

YEAR 2 CLASS TEACHER

from August 2019

Rugby School Thailand

Rugby School Thailand (RST), a co-educational day and boarding international school set in 80 acres of glorious Thai countryside south of Bangkok, very successfully opened its doors in September 2017 for 110 pupils aged 2 – 10 years. By September 2018, the School had grown to 420 pupils up to Year 12, including boarders. In September 2019, more classes and a Year 13 will be added.

The structure, school day and ethos of RST is based upon the British independent School model, rather than the standard international school model. As such, the school has three sections: Pre-Prep (2-6 year olds), Prep (7 – 12 year olds) and Senior (13 – 18 year olds).

Rugby School Thailand is the first overseas sister school of Rugby School UK, one of the most prestigious and well-known schools in the UK. Rugby School Thailand shares Rugby School UK's DNA in every important respect. It is unique.

The Pre-Prep

The Pre-Prep comprises 5 year groups: Pre-Nursery, Nursery, Reception, Year 1 and Year 2. There are currently 156 pupils in the Pre-Prep. The maximum size of class is 16 for Early Years and 18 for KS1. The capacity of the Pre-Prep is c. 300. The normal school day runs from 8 am to 3.30 pm, with After School Activities and After School Care offered thereafter.

Rugby School Thailand Pre-Prep has its own classroom building with a capacity of 300 pupils. It houses 20 spacious classrooms each with its own additional collaboration area, as well as dedicated spaces for Art, Music, Library, ICT, and Learning Support. A large multi-purpose Hall can be configured for music/drama

performances, assemblies, and indoor activities. An internal courtyard has been designed as an area for reflection, quiet games, reading and small group work.

Immediately outside the Pre-Prep there is a shaded activity plaza, which is also accessible via a slide from the upper floor! The plaza incorporates age-appropriate climbing frames, a dedicated Nursery play area, multi-use games area, and a track for 'balance bikes'.

Adjacent to the plaza the Pre-Prep has its own learner swimming pool with beach entry and water spray zone; and just beyond the plaza lie our extensive grass playing fields...
