Note that in almost all cases:

1. We do not accept enrolments in Years 11 and 13 as these year groups are mid-way through 2-year courses (IGCSE and A Level) so unless there are direct correlations with current study programmes, this would be detrimental to student success.
2. Students are placed according to age. Prior 'level' or 'grade' is irrelevant as all year groups at Rugby School employ differentiation when teaching to ensure students of all levels are challenged and progress accordingly within their age group no matter what learning has gone on before joining us or ability.
